

Proposal to provide meeting evaluation service

Todays Date:
 Event Name:
 Event Dates:
 Event Representative Name and Contact Information:

The event representative above wishes to contract with AAPM to host a meeting evaluation service for the above named event for a fee of \$500. AAPM will provide a link to a simple evaluation system that requires the user to enter first name, last name and email address, and fill out a CAMPEP approved form for each session they wish to evaluate.

The event representative agrees to allow AAPM access to the event's CAMPEP application in order to gather session information for the service. The evaluation service will close 14 days after the event date. After the system is closed, it will not be re-opened. Within 10 business days of survey close, AAPM will provide the event representative with a spreadsheet ready for upload to the CAMPEP system.
